Professional Resources Services

PRS provides services and products for many sectors of education. We deliver these services and goods via telecommunications and post to customers throughout Australia and many overseas countries. One section of our business is office support for educational associations, another is professional conference management services and the third is publishing in print and electronic media. We are a quality company which would be happy to respond to enquires to assist you with superior services or publications at highly competitive prices. PRS is environmentally responsible and its management staff includes a highly qualified environmental scientist.

[Conference Services](#)

PRS provides comprehensive and professional conference management services for large and small events.

[PAJE](#)
